571.331.8945 | zack.cerny@gmail.com

---

## Education

2011 Pittsburg State University, Pittsburg, KS  
**B.S.T with a Commercial Graphics major**

---

## Experience

### Portfolio Design

www.zackcerny.net

- Designed the layout through Adobe Photoshop CS5. Header was done in a 3D software called Terragen 2.
- Coded the website for a Wordpress CMS. This involved using PHP to create a Wordpress template in addition to HTML, CSS, and jQuery.
- Paid special attention to how the site works on all sizes of devices. Scales from a mobile device up to a full 1080p resolution.

### Internship—Graphic Designer

VERSAR

08/2011 - 09/2011

- Designed booth for corporate trade show. Worked with the printer to fix any issues that cropped up during printing and attended weekly phone conferences to design the booth to specification.
- Designed a 90 step process chart for a marketing work flow.

### Summer Hire—Web support

Society of American Military Engineers

06/2008 - 08/2008

- Cleaned up code and switched the layout of over 50 pages a week.
-
